

**THE QUEEN'S AWARDS
FOR ENTERPRISE:
INNOVATION
2007**

i-level is the first digital or new media agency to be honoured in the Queen's Award for Enterprise, announced on The Queen's birthday 21 April 2007. It is widely acknowledged as one of the most prestigious awards for business performance, recognising and rewarding outstanding achievement by UK companies.

i-level is one of 40 companies awarded under the ***Innovation*** category, and was able to demonstrate substantial improvement in business performance and commercial success to levels that are outstanding for the size of the applicant's operations.

A link to the full details of all this year's winners under the Innovation category, including the other two categories, International Trade and Sustainable Development linked here: www.queensawards.org.uk/business/Winners/2007.html
